1 Studies

- Ph.D. dissertation: "Requirements Management Interface to Building Product Models", GPA of courses 4.0 out of 4.0. CIFE, Civil and Environmental Engineering Department, Stanford University, USA, 2005
- Post-graduate/doctorate studies on construction ICT. Royal Institute of Technology (KTH), Stockholm, Sweden 1996-1999. Continued in Stanford University in 2003.
- Master of Science in Architecture ('with Honours' in US terminology, 'with Distinction' in UK terminology) at Department of Architecture in Helsinki University of Technology (HUT, now known as Aalto University), Finland, 1982
- First part of Master of Science in Architecture (equivalent to Bachelor of Architecture) at Helsinki University of Technology (HUT), Finland, 1973
- Matriculate Examination in Hyvinkään Uusi Yhteiskoulu with general grade of laudatur (maximum grade), 1970

2 Employment

- **Retired Professor and Honorary Research Senior Fellow** since 1st October 2018
- **University of Liverpool**, School of Architecture, UK September 2013-September 2018: Professor of Digital Architectural Design, Director of MSc Building Information Modelling programme, Leader of the Digital Architecture Research Group, Chair of the School of the Arts Ethics Committee
- **University of Salford**, School of Built Environment, UK 2010-2013: Professor of Digital Architectural Design, Head of Design Directorate, Member of SCRI (Salford Centre for Research and Innovation), Member of HaCIRIC (The Health and Care Infrastructure Research and Innovation Centre)
- **Insinööritoimisto Olof Granlund Oy** (Engineering Office), Helsinki 2008-2010: Vice President for Innovation and Development
- **VTT, Technical Research Centre of Finland**, Espoo 1996-2008: Research Professor of ICT for Built Environment 2006-2008, Chief Research Scientist 1999-2006, Senior Research Scientist 1996-1999. Research Coordinator of "ICT and Processes in Built Environment" at VTT 2008. Visiting fellow and PhD student at Stanford University, California 2003-2005.
- **Tampere University of Technology, Department of Architecture**, Tampere 1990-1996: CAD Lecturer. Responsibility to organize and implement CAD education in the Department of Architecture.
- **Studio Kivi Oy** (Architect Office), Helsinki 1990-1996: Managing Director and Owner
- **Arcadia Oy Arkkitehtitoimisto** (Architect Office), Joensuu 1990-1996: Partner
- **Arkkitehtitoimisto Arto Sipinen Ky** (Architect Office), Helsinki/Espoo 1973-1991: Office Manager 1977-1991, Project Architect 1973-1977
- **Keskus-Sato Oy Arkkitehtiosasto** (Architect Office), Helsinki 1972-1973: Assistant Designer
- **Walter Hebel KG** (Drafting Equipment Manufacturer), Kirchen, Germany, 1969: Assistant Mechanic (Hilfsmechaniker)

2.1 Other Academic Positions

- **University of Liverpool**, School of Architecture, Honorary Research Senior Fellow since October 2018
- **Politecnico di Milano**, member of the Advisory Board for the School of Architecture, Urban Planning and Construction Engineering (AUIC) since 2018
- **University of Reading**, External Examiner of MSc Information Management for Design, Construction and Operation in the School of Construction Management & Engineering 2016 - 2019

- **Dublin Institute of Technology** (DIT), External Examiner of DT168 MSc in Construction Informatics since 2016
- **École de technologie supérieure** (ETS), Montreal, Canada, Associate Professor, 2013 – 2016

3 Awards and Grants

- European BIM Summit Award 2019 for the long and prolific academic and communication career in encouraging the design and implementation of initiatives based on the development of innovative, technological and collaborative projects in the construction industry. Barcelona, Spain
- Rob Jackson OpenBIM Certificate for outstanding commitments and services to OpenBIM as one of the UK BIM Awards 2019.
- Fellow of buildingSMART International for the significant contribution to the development of open digital standards for the built asset industry, 2017.
- Knight, First Class, of the Order of the White Rose of Finland, granted by the President of Republic of Finland based on the proposal by the Association of Finnish Architects (SAFA) for the national and international merits in the visionary work and development of technology and processes for the architectural design, 2012
- Fiatech CETI (Celebration of Engineering & Technology Innovation) Outstanding Researcher Award for the international merits in developing integrated BIM, 2009
- Confederation of Finnish Construction Industries' Grant for Ph.D. studies, 2002
- UICB Building Information Award with Hannu Penttilä, 1996
- Medal of Merit from Association of Finnish Architects SAFA, 1990
- Väinö Vähäkallio Foundation Award, 1984

4 Information Technology R&D

4.1 R&D Projects at the University of Liverpool

- S_IMPLER (**S**olid Wall, **I**nnovative Insulation and **M**onitoring **P**rocesses using **L**ean **E**nergy efficient **R**etrofit) research project as a sub-contractor for the University of Huddersfield since February 2015

4.2 R&D Projects at the University of Salford

- BIM-FM Implementation: Manchester Town Hall Complex, with Ricardo Codinhoto, Sergio Kemmer and Cecilia Gravina da Rocha, 2013
- Design4Energy EU funded project with 16 European partners, 2013-2017. Approved for funding with a total budget of 4.3 million euros for the six academic partners.
- BCO (British Council for Offices) Building Information Modelling Research with HOK together with Patricia Tzortzopoulos Fazenda and Jason Underwood, 2012-2013. Results published in BCO book "Building Information Modelling for Commercial Office Buildings" in May 2013
- CIRIA Lean & BIM Guide with Bhargav Dave, Lauri Koskela, Robert Owen and Patricia Tzortzopoulos Fazenda, 2012-2013
- Learning from Others work package of the UK Government's BIM Strategy Programme, joint leadership with Jennifer Whyte (University of Reading), 2012
- Director of Open BIM Learning Xchange at the University of Salford 2012-2013
- HEA (Higher Education Academy) BIM Education for AEC professionals workshop and leader of the Focus Group 2012
- Development of BSc Architecture Programme for the University of Salford with Benachir Medjdoub and Tuba Kocaturk 2011-2012

- Use of Building Information Modelling in the Management of Supply Chain and Product Information for the Finnish Project Re-engineering (PRE) Programme, 2011
- BIM Implementation: Manchester Town Hall Complex, with Ricardo Codinhoto, Sergio Kemmer and Cecilia Gravina da Rocha, 2010-2011
- Development of MSc in Sustainable Building Design Programme for the University of Salford with Patricia Tzortzopoulos Fazenda 2010-2011
- Development of MSc in BIM and Integrated Design Programme for the University of Salford with Patricia Tzortzopoulos Fazenda 2010-2011
- Facility Design, Services and Operations & Tools for Engagement and Decision Making in HaCRIC (The Health and Care Infrastructure Research and Innovation Centre) 2010-2013

4.3 Industrial Collaboration at the University of Salford

- Development of RIBA (Royal Institute of British Architects) BIM CPD in 2012-2013
- Membership in BIM Leadership Team of Balfour Beatty 2011-2012
- Co-organiser and speaker in Balfour Beatty's Global BIM Expo in Salford June 2011
- Development workshops for BIM Strategy of Wates Construction 2010-2011

4.4 PhD Supervision and Assessment

4.4.1 PhD Supervisions at the University of Liverpool (2013 – 2020)

- Mohammad Alabbasi "Improving Cost Efficiency of Residential Production in Saudi Arabia by Integrating Robotics Fabrication Technologies In Construction", 2nd supervisor from October 2017 until my retirement in October 2018.
- Zuhair Nasar "The Potential Impacts of Parametric Simulation Models on Energy Performance Gap", 2nd supervisor from November 2015 until my retirement in October 2018, after that unofficial supervisor.
- Gulnaz Aksenova "The Dark Side of Ecosystem Orchestration", 1st supervisor from February 2016 until my retirement in October 2018, after that 3rd supervisor. Thesis submitted for viva on 18th May 2020.
- Mustapha Munir "Development of a Building Information Modelling Asset (BIMAsset) Value Realisation Model", 1st supervisor from February 2017 until my retirement in October 2018, after that 3rd supervisor. Final submission 14th May 2020.
- Sujesh Sujana "A Holistic and Systemic Model of Collaboration in the AEC Industry", 2nd supervisor since December 2015. Final submission 25th March 2020.
- Mohammad Qabshoqa "Conceptual Operational Model of Architecture - An approach for capturing values in architectural practices based on Big Data capabilities", 2nd supervisor since January 2015. Final submission 26th February 2018.
- Sa'íd Kori "BIM Business Value Creation for SME Firms in Nigeria Using Intellectual Capital Development", 1st supervisor since October 2014. Final submission 28th February 2018.
- Elaheh Gholami "Exploiting BIM in Energy Efficient Domestic Retrofit: Evaluation of Benefits and Barriers", 3rd supervisor since September 2013, primary supervisor since May 2015. Final submission 14th November 2017.
- Yang Zou "BIM and Knowledge Based Risk Management System", 2nd supervisor since September 2014. Final submission 14th October 2017.

4.4.2 PhD Supervisions at the Aalto University (2013 – 2020)

- Severi Virolainen "Algorithms, Parametric Design and Printing of Buildings", since September 2014
- Francisco Samso "BIM for Building Operations - A Strategic Business Framework for Implementation", since September 2013

4.4.3 PhD Supervisions at *École de technologie supérieure* (2013 – 2016)

- Gulnaz Aksenova: "An Activity Theory Approach to Manage BIM-driven Practices in the AECO Industry", July 2013 – January 2016

4.4.4 PhD Supervisions at the *University of Salford* (2010 – 2013)

- Marveh Jaberansari: "Atrium Design for Tall Buildings to Optimize Thermal Comfort in Extreme Climate", started in October 2012, graduated in September 2018
- Rasha Sayed Suleiman: "Understanding Site Offices Challenges to Communicate and Exchange Information Using Technology in UK: Main Contractor Perspective", started in April 2012, graduated in July 2019.
- Mehdi Bafava: "Accurate Structural Design through Building Information Modelling", started in January 2012, graduated in August 2015.
- Nathaniel Butters: "Defining Requirements for Sustainable Design Using Life Cycle Building Models", started in October 2011, Interim Assessment September 2012.
- Matthew Bacon: "Engineering Low Carbon Hospitals Using an Integrated Decision Support Methodology", started in October 2011, graduated in November 2014.

4.4.5 PhD Assessments/Examiner roles

- Opponent (External Examiner in the Oral Defence) of Pouriya Parsanezhad's PhD dissertation "Towards a BIM-enabled Facility Management: Promises, Obstacles and Requirements", KTH (Royal Institute of Technology), Sweden, May 2019
- Opponent (External Examiner in the Oral Defence) of Vincent Kuo's PhD dissertation "Latent Semantic Analysis for Knowledge Management in Construction", Aalto University, Finland, March 2019
- External Evaluator of Claudio Mirarchi's PhD dissertation "Knowledge Network for Innovation of Construction Sector – Increasing efficiency through process digitisation of the entire chain", Politecnico di Milano, Italy, February 2019
- External Evaluator of Lidia Pinti's PhD dissertation "BIM-based Facility Management - Embedded Information Management for Maintenance: Building Information Modelling and database integration for the Italian Public Administration", Politecnico di Milano, Italy, August 2018
- External Evaluator of Daniela Pasini's PhD dissertation "Real-time information management for engaging end-users in building operation", Politecnico di Milano, Italy, March 2018
- External Examiner of Niels Tredal's PhD dissertation "Digitalization as Driver for Standardized Specification and Design of Buildings – In Search of an Efficient Building Design Management Methodology", DTU (Technical University of Denmark), October 2017
- External Evaluator of Noor Akmal Adillah Ismail's PhD dissertation "Construction Cost Estimating Incorporating Building Information Modelling (BIM) in the Malaysian Construction Industry", Queensland University of Technology, Australia, May 2017
- External Evaluator of Manuele Cassano's PhD dissertation "Construction Site Information Modeling - Implementing building, context and operational information to manage construction site design", Politecnico di Milano, Italy, March 2017
- Internal Evaluator of Alejandro Andres Veliz Reyes' PhD dissertation "Augmented Pedagogies", University of Liverpool, UK, May 2015
- External Evaluator of David Marchant's PhD dissertation "Capturing and Integrating the Design Brief in Building Information models", UNSW (University of New South Wales), Australia, April 2015
- External Evaluator of Bianca Toth's PhD dissertation "Energy Simulation for Decision Support in Early Architectural Design", QUT (Queensland University of Technology), Australia, December 2014

- External Evaluator of Apeksha Gupta's PhD dissertation "Developing a BIM-based methodology to support renewable energy assessment of buildings", Cardiff University, UK, November 2013
- External Evaluator of Alexandra Cemesova's PhD dissertation "Enhancing BIM-based Data Transfer to Support the Design of Low Energy Buildings", Cardiff University, UK, July 2013
- Internal Evaluator of Ahmad Tarmizi Haron's PhD dissertation "Organisational readiness to implement Building Information Modelling: A framework for design consultants in Malaysia", University of Salford, UK, April 2013
- External Evaluator of Ruben Verstraeten's PhD dissertation "Architectural Design Models and Performance Evaluation: Bridging the Gap?", Genth University, Netherlands, December 2012
- External Evaluator of Ole Berard's PhD dissertation "Building Information Modeling for Managing Design and Construction - Assessing Design Information Quality", DTU (Technical University of Denmark), Copenhagen, Denmark, October 2012
- External Evaluator of Shen Weilin's PhD dissertation "A BIM-based Pre-occupancy Evaluation Platform (PEP) for Facilitating Designer-Client Communication in the Early Design Stage", The Hong Kong Polytechnic University, Hong Kong, December 2012
- External Evaluator of Topi Kallinen's PhD dissertation "On Multilevel Planning of Intelligent Homes – How to Avoid Excessive Trial-and-Error Iterations when Planning Personified Automation Solutions", Preliminary Examiner, University of Oulu, Finland, 2009
- External Evaluator of Christer Finne's PhD dissertation "Opportunities for the Use and Provision of Information in the Construction Value Chain", Preliminary Examiner, Helsinki University of Technology, Finland, 2008

4.5 R&D Projects at Olof Granlund 2008-2010

- HosPilot - Intelligent Energy Efficiency Control in Hospitals, funded by EU, 2009-2010
- USA Business Model, funded by Tekes, 2009-2010
- Leader for preparations of "B³ – BIM-based Business" programme for Strategic Centre for Research and Innovation for Built Environment (RYM-SHOK) 2009-2010

4.6 Projects at VTT, Technical Research Centre of Finland 1996-2008

- SCOBE - Sustainable Construction Operations Knowledge Base 2008
- RYM-SHOK - Research Agenda for Strategic Centre for Science, Technology and Innovation for the Finnish Real Estate and Construction Cluster 2008
- INBIS - Integrated Building Information Strategy 2008
- BOSS Roadmap - Business Oriented Software Strategy Roadmap for Ruukki Construction with Sami Kazi 2008
- Skanska BIM Strategy 2008
- Tekla White Paper "Information Modeling in Improved Management of Building Construction" with Stephen Fox 2007-2008
- CIB IDS - Integrated Design Solutions 2007-2008
- GPS II - Global Project Strategies Phase II, collaboration project with CRGP/Stanford University 2007-2008
- ECPiP – Engineering and Construction Project Information Platform, collaboration project with CIFE/Stanford University 2007-2008
- Product Models and Visualization in the of Building Performance and Lifecycle Management 2006-2008
- HospiTool - User-oriented Hospital Space with Esa Nykänen 2006-2008
- BuildNova - Building Innovation in the European Construction Sector with Sami Kazi 2006-2008

- FoundIT - Taking eCollaboration Techniques into Productive Use in the Construction Industry 2005-2008
- BIM Guidelines for Senate Properties leading the workgroup 2006-2007
- TUMA - BIM Research Capabilities at VTT with Tarja Mäkeläinen 2006-2007
- Skanska – Management of Client Requirements in Residential Production 2006-2007
- Strat-CON - R&D Strategies for ICT in Construction with Sami Kazi and Matti Hannus, 2006-2007
- TUOVI - Building Information Models and Visualization 2006-2007
- RASI - Product Code System for Building and Fitting Industries 2006-2007
- ISCIS - Integrated Supply Chain Information Systems 2005-2007
- VBE II - Virtual Building Environments Phase II 2005-2007
- Future Engineering Technology Roadmap for VTT 2006-2007
- GPS - Global Project Strategies, collaboration project with CRGP/Stanford University 2005-2006
- Analysis of the Norwegian Infrastructure Product Data Model System 2005-2006
- Design and Production Information Systems Strategy for Honkarakenne Oyj 2006
- INFRA 2010 - Roadmap for the Finnish Infra Sector with Pertti Lahdenperä 2005
- Virtual and Augmented Reality Roadmap for VTT as one of the authors 2005
- PREMISS - Requirements Management Interface to Building Product Models as a visiting fellow and Ph.D. student in Stanford University 2003-2005
- Programme Manager of the Finnish national Technology Programme "Vera - Information Networking in the Construction Process" 1997-2002, Programme consisted of 161 project with a total budget of 46.7 M€

4.7 Teaching

4.7.1 University of Liverpool (September 2013 – September 2018)

- Leader of MSc BIM programme, Liverpool 2016-2018, London 2014-2015
 - Theory of BIM and Integrated Project Delivery (30 credits)
 - nD modelling with BIM (30 credits)
 - Managing collaborative workflows for BIM (15 credits)
 - BIM-enabled sustainable design (15 credits)
 - Critiques & communications (15 credits)
 - Research methodology (15 credits)
 - Dissertation (60 credits)
- Module leader of ARCH361 Integrated Technical Project Design 2015-2016
- Introductory lectures of BIM in several UG and PG modules 2013-2018

4.7.2 University of Salford (May 2010 – August 2013)

- Leader of MSc BIM and Integrated Design 2011-2013
 - Building Information Modelling Theory and Practice (30 credits)
 - Integrated BIM Projects (30 credits)
 - Lean Integrated Design and Production (30 credits)
 - Sustainable Design Theory and Practice (30 credits)
 - Dissertation (60 credits)
- Temporary Leader of MSc Digital Architectural Design 2010-2011
- Introductory lectures of BIM in several UG and PG modules since 2010

4.8 Committee Memberships and Evaluation Tasks

4.8.1 Memberships in International and UK Organizations

- Member of the Scientific Committee of the Airport Booklets Collection published by the DidA Press at University of Florence since 2017
- Member of Expert Panel for the R&D work of the Digital Built Britain programme 2017
- Member of the Scientific Committee in the Editorial Board of the Airport Studies Booklets by FUP Firenze University Press 2015-217
- Member of CIOB BIM Education Workgroup 2014-2016
- Member of BIM Academic Forum (BAF) since 2014
- Member of CIOB (The Chartered Institute of Building) BIM Group and Leader of the Benchmarking/Maturity Gap Workgroup 2012-2015
- UK CIC (Construction Industry Council) BIM Forum, representative of CEBE (Centre for Education in the Built Environment) 2011-2013
- Czech BIM Council, honorary member since 2011
- CIB IDDS (Integrated Design and Delivery Solutions), member of the Core Workgroup since 2010
- FIATECH, member of several committees: Academic Committee 2010-2014, European Advisory Committee 2011-2013, Interoperability Committee 2011-2013, Conference Planning Committee 2011-2013
- ASHRAE (American Society of Heating, Refrigerating and Air-Conditioning Engineers): member of the BIM Steering Committee since 2009
- buildingSMART Korea, member of the Advisory Committee 2009-2013
- Salford University, member of the School of the Built Environment's Design Directorate Steering Committee 2009-2010
- Salford Centre for Research and Innovation, Salford University, UK, Chairman of the Steering Committee 2002-2009, member 2009-2010
- buildingSMART/International Alliance for Interoperability (IAI)
 - International Technical Advisory Group (TAG): member since 2005
 - International Technical Management Committee (ITM): Chairman 2005-2007
 - International Council (IC) and Executive Committee (ExCom): Chairman 1998-2000, Deputy Chairman 2000-2001, member 2005-2007
 - Board of buildingSMART Nordic/IAI Nordic Chapter: Chairman 1996-1998 and 2000-2002, Business Manager 1999, member 2005-2008
 - buildingSMART Finland/IAI Forum Finland: Chairman 1996-2002 and 2005-2008, member of the board 2008-2010
- BLIS - Building Lifecycle Interoperable Software Association
 - International Chairman 2001-2003
 - International Deputy Chairman since 2003
- CIB focus area "Integrated Design Solutions" (IDS), Project Leader 2008
- BuildingEnvelopes.org project, CDI (Center of Design Informatics), Harvard University, member of the Scientific Committee 2001-2004
- Representative of Tekes in the Industrial Advisory Board and Technical Advisory Board of CIFE, Stanford University 1999-2005

4.8.2 Editorial Boards of Journals

- Member of the Scientific Committee in "Dn - Building Information Modeling, Data & Semantics" since 2017, DEI Genio Civile
- Guest Editor of "Building Information Modelling – Strategy, Practice and Research" in *Frontiers in Built Environment Journal* with Hugo Rodrigues and Maria Fernanda Da Silva Rodrigues, 2016-2017

- Guest Editor of Special Issue "Evidencing Changes in Engineering and Design Practice" in the Architectural Engineering and Design Management (AEDM) Journal with Dr Ricardo Codinhoto, 2015-2016
- Member of the Editorial Board of the International Journal of 3-D Information Modeling (IJ3DIM) since 2015, IGI Global
- Member of the Editorial Board of the Journal of Computing for the Built Environment since 2015, Springer Publishing
- Member of the Editorial Board of the Journal of Ontology Development and Applications since 2014, eSci Journals Publishing, <http://escijournals.net/ontology>
- Member of the Editorial Board of the Buildings Journal (ISSN 2075-5309) 2014-2016 <http://www.mdpi.com/journal/buildings/>

4.8.3 External Examiner or Adviser for Academic Programmes or Positions

- External Examiner of MSc in Construction Informatics programme at Dublin Institute of Technology, since 2016
- External Examiner of MSc Information Management programme at University of Reading, 2016-2019
- External Adviser in the interview panel for Chair in Architectural Structures, Materials and Construction in the Faculty of Engineering at University of Nottingham, October 2016

4.8.4 International Committees for Conferences and Seminars

- 8th International Workshop "When Social Sciences meet Lean and BIM", member of the Advisory Board. Federal University of Rio Grande do Sul, Fortaleza, Brazil, April 2019
- ICCCBE + CIB W78 2020, Member of the Scientific Committee. University of São Paulo, Brazil, June 2020.
- NZAAR International Event Series on Natural and Built Environment, Cities, Sustainability and Advanced Engineering, Member of the Editorial Board of the Conference Proceedings, 2019
- CIB W78 2019, Northumbria, UK, September 2019. Member of the Programme Committee
- 35th Annual CIB W78 Conference, member of the Scientific Committee. Illinois Institute of Technology, Chicago, USA, October 2018
- ECPPM 2018 (12th European Conference on Product and Process Modelling), member of the Scientific Committee. Copenhagen, Denmark, September 2018
- 36th annual eCAADe Conference (Education and research in Computer Aided Architectural Design in Europe), member of the Conference Review Committee. Lodz, Poland, September 2018.
- 6th International Workshop "When Social Sciences meet Lean and BIM", member of the Advisory Board. University of Huddersfield, UK, January 2018
- International Conference on Sustainable Futures, member of the Scientific Committee. Applied Science University in Bahrain, November 2017
- LC3 and IGLC 25 (Lean & Computing in Construction Congress and 25th Annual Conference of the International Group for Lean Construction), member of the Programme and Review Committee. Heraklion, Crete, July 2017
- 5th International Workshop "When Social Sciences meet Lean and BIM", member of the Advisory Board. Aalborg University, Denmark, January 2017
- CIB W78 2016, Brisbane, Australia, November 2016. Member of the Scientific Committee
- ALIU 2016 (Architecture, Landscape, Interior Design & Urban Planning), SGER 2016 (Sustainability, Green Buildings, Environmental Engineering & Renewable Energy) BDC 2016 (Building Information Modelling, Digital Fabrication & Computational Simulation/Visualization) and CMC 2016 (Civil, Mechanical Engineering & Construction Management) International Conferences by NZAAR (New Zealand Academy of Applied Research), Malaysia, December 2016. Member of the Scientific Committee

- ECPPM 2016 (11th European Conference on Product and Process Modelling). Member of the Programme Committee. Limassol, Cyprus, September 2016,
- MSSCE2016 (Materials, Systems and Structures in Civil Engineering) DTU, Lyngby, Denmark, August 2016. Member of the Programme Committee
- 34th annual eCAADe conference (Education and research in Computer Aided Architectural Design in Europe), Oulu, Finland, August 2016. Member of the Conference Review Committee
- ICALBE 2016 (International Conference on Architecture, Landscape and Built Environment) by NZAAR (New Zealand Academy of Applied Research), Kuala Lumpur, Malaysia, June 2016. Member of the Scientific Committee
- ID@50 Conference in Bath University, United Kingdom, June/July 2016. Member of the Scientific Committee
- OSDOT 2.0 (XI) Seminar in Ferrara University, Italy, November 2015. Member of the Scientific Committee
- 16th International Conference on Computing in Civil and Building Engineering (ICCCBE2016) in Osaka, Japan, July 2016. Member of the Scientific and Programme Committees
- WBC16 - CIB World Building Congress 2016 in Tampere Finland, June 2016. Member of the International Scientific Programme Committee
- 4th International Workshop "When Social Sciences meet Lean and BIM", member of the Advisory Board. University of Huddersfield, UK, January 2016
- CITA BIM Gathering 2015 in Dublin, Ireland, November 2015. Member of the Scientific Committee
- 32nd CIB W78 Conference in Eindhoven, the Netherlands, October 2015. Member of the International Scientific Committee
- 6th International Conference on Construction Engineering and Project Management (ICCEPM 2015) in Busan, Korea, October 2015. Member of the Technical Committee
- 3rd Annual International Conference on Architecture and Civil Engineering (ACE 2015) in Singapore, April 2015. Member of the Programme Committee
- 3rd International Workshop "When Social Sciences meet Lean and BIM", Chair of the Organising Committee. University of Liverpool, UK, January 2015
- 40th IAHS World Congress "Sustainable Housing Construction" in Funchal, Portugal, December 2014. Member of the International Scientific Committee
- 2nd BIM International Conference in Lisbon, October 2014. Member of the Scientific Committee
- ECPPM 2014 Conference in Vienna, September 2014. Member of the Scientific Committee
- ICCBE 2014 & CIB W78 Conference in Orlando, May 2014. Member of the Scientific Committee
- 2nd International Workshop "When Social Sciences meet Lean and BIM", member of the Advisory Board. Helsinki University, Finland, November 2013
- eCAADe 2013 (Association for Education and Research in Computer Aided Architectural Design in Europe), in Delft, the Netherlands, September 2013, Member of the Scientific Review Committee
- CAAD (Computer-Aided Architectural Design) Futures 2013, at Tongji University, Shanghai, July 2013, Member of the Programme Committee
- 1st BIM International Conference, Porto, Portugal, June 2013. Member of the International Programme Committee
- Fiatch 2013 Technology Conference & Showcase in San Antonio, Texas, March 2013, Member of the Programme Committee
- 1st International Workshop "When Social Sciences meet Lean and BIM", member of the Advisory Board. University of Salford, UK, December 2012

- ECPPM 2012 Conference in Reykjavik, July 2012, Member of the Scientific Committee
- Fiotech 2012 Technology Conference & Showcase in Miami, Florida, April 2012, Member of the Programme Committee
- CIB W078 & W102 Joint Conference in Sophia Antipolis, October 2011, Member of the Scientific Committee
- ECPPM 2010 Conference in Cork, September 2010, Member of the Scientific Committee
- ICCCB 2010 Conference and the eg-ice10 Workshop in Nottingham, June 2010, Member of the International Scientific Committee
- CIB IDS 2009 Conference "Improving Construction and Use through Integrated Design Solutions" in Helsinki, June 2009, Member of the Scientific Committee
- EuropIA.12 Conference in Paris, March 2009, Member of the Scientific Committee
- CIFE Summer Program in Helsinki, June 2008, Member of the Organizing Committee
- Joint CIB W96 & W102 Conference in Helsinki, June 2008, Member of the Scientific Committee
- IABSE 2008 Conference in Helsinki, June 2008, Member of the Scientific Committee
- Build ICT 2008 Conference in Helsinki, June 2008, Member of the Organizing Committee
- EuropIA.11 Conference in Montreal, Canada, September 2007, Member of the International Advisory Board
- CIB-W78 Conference in Maribor, Slovenia, June 2007, Member of the Scientific Committee
- ECPPM 2005 Conference in Valencia, Spain, September 2005, Chairman of the Scientific Committee, member of the Steering Committee
- EuropIA.10 Conference in Damaskus, Syria, September 2005, Member of International Advisory Board
- ENIA 2005 Conference, V Encontro Nacional de Inteligência Artificial in Brazil in July 2005, Member of the Technical Programme Committee
- CIB-W78 Conference in Toronto, May 2004, member of the Technical Committee
- EIA9 9th EuropIA International Conference, Delft University of Technology and Istanbul Technical University, Istanbul October 2003, member of the International Advisory Board
- 10th ISPE International Conference on Concurrent Engineering: "4D/ nD modelling" Madeira Island, Portugal, July 2003, member of the International Scientific Committee
- 9th ISPE International Conference on Concurrent Engineering, Research and Applications (CE2002): "Mobile Computing in Engineering" Cranfield University, UK July 2002, member of the International Scientific Committee
- ECPPM 2002 (European Conference of Product and Process Modelling): "eWork and eBusiness in AEC" Portoroz, Slovenia September 2002, member of the Editorial Board and Programme Committee
- CIB W78 Conference in Aarhus June 2002, member of the International Scientific Committee
- 2nd Worldwide ECCE symposium: "Information and Communication Technology in the Practice of Building and Civil Engineering", Espoo June 2001, member of the Technical Advisory Committee
- ILCDES 2000: "Integrated Life-Cycle Design of Materials and Structures", Helsinki May 2000, member of the Scientific Committee

4.8.5 National and International Evaluation Tasks

- External Evaluator for professorial promotions for Northumbria University 2020
- External Evaluator for professorial nominations for DTU (Technical University of Denmark) 2018
- External Evaluator for professorial promotions for Northumbria University 2017
- External Evaluator for professorial promotions for Cardiff University 2016

- External Evaluator for a research project of University of Sharjah 2016
- Member of the Interview and Assessment Panel for UK Government's "Digital Tool for BIM" Competition, Phase 2 for Innovate UK and TSB (Technology Strategy Board) 2014
- International Evaluator of the Built Environment Process Re-engineering (PRE) programme results for RYM (Strategic Centre for Science, Technology and Innovation of Built Environment in Finland) 2014
- External Evaluator for professorial promotions and nominations for University of Salford 2014
- External Evaluator for professorial promotions and nominations for Tampere University of Technology 2014
- External Evaluator for professorial promotions and nominations for the Chinese University of Hong Kong 2014
- Several confidential evaluations and peer reviews of project proposals in Australian and Canadian research programmes 2005...2012
- ClassOfYourOwn: UK finals for CEFPI's International 2012 competition "School of the Future", member of the Jury 2012
- EPSRC's (The Engineering and Physical Sciences Research Council) 2nd Annual review of IMRCs (Innovative Manufacturing Research Centres) in UK: International Evaluator of Innovative Construction Research Centre at Reading University, January 2004
- FaceIT 2001: Competition of the Best Information Technology Application for Building and Facility Management in Sweden in 2001, member of the Jury
- FaceIT2000: Competition of the Best Information Technology Application for Building and Facility Management in Sweden in 2000, member of the Jury
- Finnish representative and evaluator in COMBINE 2 (Computer Models for Building Industry in Europe 1992-1995), Dublin 1995

4.8.6 Official Representative in International Conferences

- ENCI - Extended Nordic Construction IT Network meeting, Helsinki August 1998
- IAI representative in ISO SC4 (STEP) meetings, Orlando February 1998 and Bad Aibling June 1998
- Finnish representative in ISO TC10/SC8/WG16 "Preparation for new construction industry documentation standards development" 1998-1999
- IAI International Council and Technical meetings, International Chairman 1998-2002, Deputy Chairman 2000-2002, Nordic representative 1996-2002
- Finnish representative in ISO TC10/SC8/WG13 "CAD Technique - Use of Computers for preparation of construction documentation, 1994-1999
- Member of the Finnish delegation in an invited CAD-conference of Nordic Associations of Architects in (Nordiska IT-seminariet), Stockholm 1993

4.8.7 Membership in National Technology Policy Development Workgroups

- Member in the workgroup for Digitization of Construction Planning in Poland 2019-2020
- Member of the Scientific Committee of the Built Environment Process Re-engineering (PRE) programme of RYM (Strategic Centre for Science, Technology and Innovation of Built Environment in Finland) 2012-2014
- Leader of the "Integrated Business Processes for the Lifecycle of Built Environment" R&D programme preparations for RYM-SHOK (Strategic Centre for Science, Technology and Innovation for the Finnish Real Estate and Construction Cluster) 2009
- Coordinator of the "Innovative Processes Enabled by ICT" research area in the RYM-SHOK preparation group 2008
- Digital Product Process Programme, member of the Preparation Steering Committee 2007

- Vision 2010 - The Finnish Real Estate and Construction Cluster's vision for 2010, member of the ICT workgroup 2001-2002 and 2005
- Construction Cluster Technology Programme (SARA), member of the preparation workgroup 2001-2002
- INFRA Technology Programme, member of the ICT workgroup 2001-2002
- VERA Technology Programme, member of the preparation workgroup 1996-1997, Programme Manager in the Steering Committee 1997-2002.

4.8.8 Steering Committee Memberships in Finnish R&D Projects

- Turva-BIM (Use of BIM in Safety Planning), VTT 2007-2008
- Artuos - Development and Deployment of BIM, Finnmap Consulting Oy 2007-2008
- Service Beyond Technology Strategic Theme Project, VTT 2005-2008
- Technology in Community Strategic Steering Group, VTT 2005-2008
- DigiBuild - Roadmap for ICT-based Opportunities in the Development of Built Environment, VTT 2007
- Product Code System for Building and Fitting Industries, Rasi 2006-2007
- AEC-FM software opportunities in the USA, VTT 2002-2003
- LifePlan - Service Life Planning from theory to practical processes, VTT 2002-2003
- Development of IFC R3 HVAC Domain Models in BS-8 co-operation, VTT 2002-2003
- PC-VR - PC technology Based Virtual Reality, VTT 2002-2003
- BS-VE - 3D Visualization of Building Services in Virtual Environment, HUT Telecommunications Software and Multimedia Laboratory 2001-2002
- ÄLMARA - Intelligent Building Materials Indicating Moisture and Emissions, VTT 2001-2002
- IFC Model Server, Secom Ltd and VTT 2001-2002
- PCC-IFC - Precast Concrete Construction IFC -project, Finnish Association of Construction Product Industries 2001-2002
- Roadmap for Intelligent IFC Product Model, VTT 2000-2002
- BS2000 - Product Data for Building Services Software, Satakunta Polytechnic: Development and Research Centre O'Sata 2000-2002
- 3D Visualization of Building Services in Virtual Environment, HUT Telecommunications Software and Multimedia Laboratory 2000-2001
- ICT Future Projects Committee of VTT 1999-2002
- MoPo - Models for the Construction Process, VTT 1999-2001
- IAI BS-7 - Building Performance Monitoring, VTT 1999-2001
- KAIMA - Knowledge Acquisition for IFC-Product Model Analysis, Solibri Inc. 1999-2000
- Transfer of Finnish Information Technology to Japanese and Chinese Construction Business Markets - pre-study, VTT 1999-2000
- Digital HVAC Product Information, LVI-tietokeskus 1999-2000
- Product Code System for Building and Fitting Industries - feasibility study, Rasi 1999-2000
- SPADEX - Spatial Data Exchange, YIT Oyj 1998-2001
- FinnST-1 - Finnish participation in the IAI ST-1 Steel frame construction -project, Finnish Constructional Steelwork Association (FCSA) 1998-2001
- Information Networks in Facility Management, Tampere University of Technology 1998-2000
- Construction IT Thesis, Tampere University of Technology 1998-2000
- RINET - Building Product Database, VTT 1998-1999
- Assistant for the International Technical Director in IAI, ToCoMan Oy 1998-1999
- VIRAPS - Virtual apartments, University of Art and Design Helsinki 1997-2001
- Development of the Data Management and Construction Process, Skanska Oy 1997-1999

- Project Manual for Construction Clients, The Finnish Association of Building Owners and Construction Clients (RAKLI) 1997-1999
- RATAS Manual for Structural Engineering, The Building Information Ltd (Rakennustieto Oy) 1997-1998
- TIMI - Benefits of IT in the Construction Industry, ToCoMan Oy 1997-1998
- IAI Forum Finland, VTT 1996-2002
- RATAS: Main Committee IT Expert Member 1994-2001

4.9 Publications and Presentations

4.9.1 Doctoral Dissertation

- Doctoral dissertation "Requirements Management Interface to Building Product Models", Civil and Environmental Engineering Department, Stanford University, USA 2005, UMI publication number 3162341, CIFE Technical report TR161, 2005 (URL: <http://cife.stanford.edu/sites/default/files/WP161.pdf>), VTT Publications 1235–0621, ISBN 951–38–6655–6 and VTT's online PDF 1455–0849, ISBN 951–38–6656–4 (URL: <http://www.vtt.fi/inf/pdf/>)

4.9.3 International Keynote Presentations and Papers

- Keynote "Value of BIM in Planning and Building Smart Cities" in CITI AEC Smart Cities Conference, Guadalajara, Mexico, October 2019
- Keynote "BIM adoption in some countries today and future developments & challenges" in the MagiCAD event "Shaping your BIM Strategy", Berlin, Germany, September 2019
- Keynote "The Importance and Impact of BIM in Construction and Design and Challenges in University Education" in BIM Seminar at University of Oulu, Oulu, Finland, April 2019
- Keynote "BIM Development and Adoption in Finland – a long journey" in the European BIM Summit 2019, Barcelona, Spain, April 2019
- Keynote "BIM and Building Lifecycle" in Hybrid Construction Seminar, Savonlinna, Finland, March 2019
- Keynote "Challenges and Opportunities of BIM in the Infra Sector" in Infra Modelling Conference, Tampere, Finland, March 2019
- Keynote "Why adoption of BIM has not changed the construction industry as expected?" in the FinnBuild Exhibition, Helsinki, Finland, October 2018
- Keynote "BIM development and adoption in Finland – a long journey" in the Finnish/UK BIM Seminar and Networking Reception at the Residence of the Ambassador of Finland, London, UK, September 2018
- Keynote "Our document-based past & digital future – a long journey" in ECPPM 2018 (European Conference on Product and Process Modelling), Copenhagen, Denmark, September 2018
- Keynote "What changes are required in the industry and education to achieve the full benefits of BIM - international viewpoint" in the BIMENE-seminar at Metropolia University of Applied Sciences, Espoo, Finland, August 2018
- Keynote "Some thoughts about PhD research related to the Built Environment" in the IDL PhD Summer School at the University of Huddersfield, UK, July 2018
- Keynote "Does Lean need BIM or BIM need Lean?" in the Lean Construction Congress 2018, Helsinki, Finland, May 2018
- Keynote "Project integration based on Open BIM" in the Reality Check BIM, 1st Symposium of Digitalisation by Bundeskammer der ZiviltechnikerInnen, Linz, Austria, March 2018
- Keynote "Potential and Future in Using BIM for Heritage Buildings" in 6th European Congress on the Use, Management and Conservation of Buildings of Historical Value, Vienna, Austria, October 2017
- Keynote "BIM today and in 2020s – Thoughts about the digitalisation of the AECO industry..." in Trimble BIM Forum, Helsinki, Finland, October 2017
- Keynote "The future of application & marketing of new technologies in architecture – Virtual Reality" in Brick in Architecture Seminar. Hamburg, Germany, September 2017
- Keynote "BIM adoption in Europe - Some thoughts based on the experiences in Finland and UK" in ISTeA (Italian Society of Science, Technology and Engineering of Architecture). Florence, Italy, September 2017
- Keynote "BIM education – the current and future approach by universities?" in EDUBIM 2017. Paris, France, July 2017
- Keynote "Project integration based on Open BIM" in Graphisoft BIM event in the Royal Academy of Engineering. London, UK, May 2017

- Keynote "Challenges and Opportunities in BIM-based Project Management" in Tietomallihankkeiden ohjauksen haasteet projektin loppuseminaari (The End Seminar of the Challenges to Steer BIM Projects). Helsinki, Finland, November 2016
- Keynote "Interdisciplinary Collaboration Using Open BIM" in the Third GCD Symposium (Geometry and Computational Design). Vienna, Austria, November 2016
- Keynote "Potential and Challenges in Using BIM (Building Information Modelling) for Heritage Buildings" in the 1st International Conference of Sustainable Vital Technologies in Engineering & Informatics. Cairo, Egypt, November 2016
- Keynote "Experiences from the BIM adoption in Finland and UK – Clients as the drivers of innovation" in BIM, Research and Education 2016 Strategic Workshop. Montreal, Canada, October 2016 (<http://gridd.etsmtl.ca/en/archives/1396>)
- Keynote "BIM & Education – Do we need a new teaching paradigm?" in BIM, Research and Education 2016 Strategic Workshop. Montreal, Canada, October 2016
- Keynote "Project integration based on Open BIM" in Graphisoft BIM event. Edinburgh, UK, September 2016
- Keynote "AEC Education – Do we need a new teaching paradigm?" in 1st International BIM Academic Forum Conference. Glasgow, UK, September 2016
- Keynote "Status and a vision of Open BIM in architectural and engineering education in UK" in MSSCE2016 - Building Information Modelling in Civil Engineering. Copenhagen, Denmark, August 2016
- 1st International BIM Conference in Croatia. Keynote "Collaborative Design – BIM as an opportunity for architects". Zagreb, Croatia, May 2016
- Graphisoft BIM event in the Royal Academy of Engineering. Keynote "Project integration based on Open BIM". London, UK, March 2016
- 4th International Workshop "When Social Sciences meet Lean and BIM". Keynote "Built Environment and Our Digital Future", University of Huddersfield, UK, January 2016
- GeoBIM Europe 2015. Keynote "BIM education - a bottleneck in BIM adoption?", Amsterdam, the Netherlands, December 2015
- BIM event of Nederlands Instituut voor de Bouw. Keynote "BIM - just a fashion or real change?", Maarssen, the Netherlands, December 2015
- Future of BIM: Looking Beyond 2016. Leading Address "Exploiting BIM in Energy Efficient Domestic Retrofit: Evaluation of Benefits and Barriers" with Elaheh Gholami. London, UK, December 2015
- BIM Forum 2015 by buildingSMART German Speaking Chapter. Keynote "Experiences from the BIM-Adoption in Finland and UK – Clients as the drivers of innovation", Berlin, Germany, December 2015
- CIOB International Inspiring Construction Conference. Keynote "An international perspective on data and construction", London, UK, November 2015
- CITA 2015 BIM Gathering. Keynote "BIM in Education - What skills do future professionals need?", Dublin, Ireland, November 2015
- AEC Hackathon. Keynote "Built Environment and Our Digital Future", Helsinki, Finland, November 2015
- International Government BIM Symposium and 2015 World City Day. Keynote "Public clients' role in BIM adoption - Experiences from Finland and UK", Shanghai, China, October 2015
- Digital Construction Symposium. Opening Address "Digital Future", Tampere, Finland, October 2015
- BIM Alliance Conference. Keynote "BIM education in the UK - The current situation and challenges?", Stockholm, Sweden, September 2015
- "Collaborative Design and Engineering - Issues with IFC and Interoperability?", ArchiCAD Summer School, Liverpool, UK, September 2015

- Nordic Road Forum "BIM tager planlægning af veje og gader til et nyt niveau". "Keynote Design in the Future", Helsinki, Finland, May 2015
- ENTAC 2014 - XV Encontro Nacional de Tecnologia do Ambiente Construído. Keynote "BIM - Evolution or revolution in the construction industry?", Maceio, Brazil, November 2014
- GeoSmart 2014 Conference. Keynote "BIM & GIS – can we connect the dots?", Hong Kong, June 2014
- BIM on Site Seminar: Keynote "Status and Future of BIM", Vantaa, Finland, November 2013
- Seminar of RYM PRE Programme (Built Environment Process Re-engineering): Keynote "International View to the Future of BIM", Espoo, Finland, November 2013
- buildingSMART Schweiz Conference "Zusammen Bauen or Zusammenbauen": Keynote "BIM and Architecture - Controversy?", Zurich, Switzerland, November 2013
- Novapoint User Meeting 2013: Keynote "Public Clients as the Driver for BIM Adoption - Why and how UK Government wants to change the construction industry?", Stockholm, Sweden, October 2013
- 1st BIM International Conference: Keynote "How to include BIM in the future curricula of AEC professionals?", Porto, Portugal, June 2013
- Tekla Central European BIM Forum 2013: Keynote "Challenges and opportunities - current trends in the global BIM practices", Düsseldorf, Germany, June 2013
- Tekes Digital Product Process Seminar: Keynote "Digitalisation of the AEC Industry – BIM as a global trend", Jyväskylä, Finland, June 2013
- Open BIM 2013 Conference: Keynote "Public Clients as the Driver for BIM Adoption - Why and how UK Government wants to change the construction industry?", Stockholm, Sweden, April 2013
- Building Innovation 2013 Conference, BIM Academic Education Symposium: Luncheon Speech "Challenges and opportunities in the BIM education - How to include BIM in the future curricula of AEC professionals?", Washington DC, USA, January 2013
- Seminar "3Dexperience – AEC & BIM" by Dassault Systemes: Keynote "Just complying with BIM requirements or BIM as a competitive advantage?", London, UK, December 2012
- IV Project Manager's Day: Keynote "BIM as a Strategic Issue in AECO Companies and Projects", at TTK University of Applied Sciences, Tallinn, Estonia, November 2012
- MADE EXPO 2012 (Milano Architettura Design Edilizia): Keynote "Challenges and Opportunities in Using BIM in Integrated Design", Milan, Italy, October 2012
- FINNBUILD EXPO 2012: Keynote "The effects of Governmental requirements in the BIM adoption in UK", Helsinki, Finland, October 2012
- CONENX 2012: Keynote "International Drivers and Trends of Integrated BIM", Fortaleza, Brazil, July 2012
- ASTA National User Forum: Keynote "BIM Opportunities and Challenges - An International Viewpoint", London, UK, February 2012
- Il Building Information Modelling: Come sta cambiando l'industria delle costruzioni?: Keynote "Where is BIM going? Promises and challenges for the AEC industry", Turin, Italy, January 2012
- Skanska's BIM Seminar: Keynote "International Drivers and Trends of BIM", Helsinki, Finland, January 2012
- International CEO meeting of Eleco Plc: Keynote "What could BIM mean for our business?", London, UK, November 2011
- Seminar "Getting Ready for a Big Change in the Industry" by Dassault Systemes: Keynote "Experiences with 3D BIM", London, UK, November 2011
- International BIM Summit by Hilti: "International Drivers and Trends of Integrated BIM", Lichtenstein, November 2011

- Skanska's BIM Seminar: Keynote "International Drivers and Trends of BIM", Helsinki, Finland, October 2011
- 2º Seminário BIM Modelagem Da Informação Da Construção: Keynote "International Drivers and Trends of Integrated BIM" Sao Paulo, Brazil, October 2011
- Seminar "Tilaaja avainasemassa tietomallien käytölle" (Clients as the Key for BIM Adoption) by RIL (Association of Finnish Civil Engineers)": Keynote "BIM into practice in UK - Is the conservative UK passing Finland in BIM adoption?", Helsinki, Finland, October 2011
- Conference "Architecture for People": Keynote "Drivers and Obstacles for Adoption of Integrated BIM", Prague, Czech Republic, September 2011
- Open BIM Event by Tekla in the Finnish Embassy: Keynote "Open BIM and Governmental Requirements" London, UK, March 2011
- SB2010 Finland Conference "Sustainable Community": Keynote "BIM in Evaluation and Management of Sustainability" with Erik Bichard. Extended abstract in Conference proceedings ISBN 978-951-758-506-4, pp.4-5, Espoo, Finland, September 2010
- CIB IDS 2009 Conference "Improving Construction and Use through Integrated Design Solutions": Keynote "A Survival Strategy - How to Integrate Design Systems and Processes in a Fragmented Industry?" extended abstract in Conference proceedings ISBN 978-951-758-506-4 pp. 9-11, Helsinki, Finland, June 2009
- Second London International Conference on buildingSMART. Two keynote presentations (Government & Industry Workshop and Conference): Keynote "Finland's Strategy to Transform the Competitiveness of its Construction Industry 10 Years On", London, UK, June 2008
- bibs IT/CAD Conference: Keynote "Integrated BIM: leading edge or bleeding edge? Some Finnish experiences and views", Odense, Denmark, October 2007
- International Symposium on Building Information Modelling - the Next Big Change in Construction: Keynote "IDS & BIM, 10 Years' Perspective: Dream and Reality", Brussels, Belgium, October 2007
- ASCE, CIB-W78 & ICCCBE Joint International Conference on Computing and Decision Making in Civil and Building Engineering Keynote "Ten Years of IFC Development; Why are we not yet there?", Montreal, Canada, June 2006
- CRC Construction Innovation Conference "Clients Driving Innovation: Moving Ideas Into Practice": Keynote "Adopting Innovation: Building Information Models in the Finnish Real Estate And Construction Cluster", Gold Coast, Australia, March 2006. Published in the Conference proceedings by CRC Cooperative Research Centre for Construction Innovation, pp. 15-23, 2006
- eSmart Conference: Keynote with John Mitchell and Stefan Larsson "From 2D Projections to Product Model Information", Manchester, UK, November 2002
- Australasian Chapter IAI Seminars: Four keynotes "Changing Industry Culture - The Effects of ICT on the Construction Industry" in Sydney, Brisbane and Melbourne, Australia and Auckland, New Zealand, November 2002
- Japan IAI Seminar: Keynote "Interoperable ICT tools in Real Construction Projects - Finnish Experiences of New Processes", Tokyo, Japan, October 2002
- Construction Plus E-Construction Conference "Priceless Objects": Keynote presentation "Finnish ICT Strategies for the Construction and Real Estate Cluster", London, UK, February 2002
- ECAADE 2001 Conference: Keynote "Information Sharing on Internet in AEC/FM Processes", Helsinki, Finland, August 2001
- Annual Spring Conference of Architectural Institute of Korea: Keynote "IT in Collaborative Design and Construction Process", Seoul, South Korea, April 2001
- IAI Korea Chapter's Industry Day: Keynote "Information Sharing in Collaborative Design and Construction Process", Seoul, South Korea, April 2001

- 2nd International Symposium on Prefabrication: Keynote "Integrated Processes, Software Interoperability and Information Networking in the Construction Industry". Due to late invitation the paper was distributed separately in the conference. Helsinki, Finland, May 2000
- Nordbygg Exhibition, Seminar for Building Owners: Keynote "Vera - Information Networking in the Construction Process", Stockholm, Sweden, March 2000
- IAI Road Show: Three keynotes "Vera - Information Networking in the Construction Process" in Melbourne, Sydney and Brisbane, Australia, February 2000
- CAAD Futures Conference: Keynote "Software Interoperability in the AEC-FM Industry". Due to late invitation the paper was distributed separately in the conference. Atlanta, USA, June 1999
- 8th International Conference on Durability of Building Materials and Components: Keynote "IAI and IFC - State-of-the-Art". Conference Proceedings "Durability of Building Materials and Components 8", Volume 4 "Information Technology in Construction", ISBN 0-660-17743-9, pp. 2157-2168. Vancouver, Canada, June 1999
- Japan A/E/C Systems Show: Keynote "Need for Global Standards in AEC-FM Industry", Tokyo, Japan, September 1998
- ACS Exhibition: Keynote "Online and in the Net". Due to late invitation the paper was distributed separately in the conference. Frankfurt, Germany, November 1996

4.9.4 *International Invited Presentations and Papers*

- "Current trends and developments in Building Information Modelling (BIM)" in the Forum Wood Building Nordic 2019 Conference. Helsinki, Finland, September 2019
- "BIM and FM" in BIM Summer School at Aalto University. Helsinki, Finland, June 2018
- "IFC standards – structure and reasoning" in BIM Summer School at Aalto University. Helsinki, Finland, June 2018
- "Project Collaboration in Integrated BIM Environment" a invited lecture in Università degli Studi di Firenze, Italy, March 2018
- "Project Collaboration in Integrated BIM Environment" a PhD workshop in Politecnico di Milano, Italy, March 2018
- "How BIM is used in the UK" in Rakennuttaminen (Construction Management) 2018 Conference in Tampere, Finland, January 2018
- "Architectural Education – Does BIM require a new teaching paradigm?" in the University of Huddersfield, UK, January 2018
- "BIM Collaboration with Open BIM" in BIM Summer School at Aalto University. Helsinki, Finland, June 2017
- "Architectural Education – Do we need a new teaching paradigm?" in Politecnico di Milano, Italy, March 2017
- "Project integration based on Open BIM" in Graphisoft BIM event, Manchester, UK, December 2016
- "Digitalisation of the AECO industry" in the KIRA-digi Roundtable Workshop. Helsinki, Finland, November 2016
- "Collaborative Design and Engineering – Open BIM and interoperability" in Technical University of Munich, Germany, June 2016
- "Experiences from the BIM adoption in Finland and UK – Clients as the drivers of innovation" in Technical University of Munich, Germany, June 2016
- "Architectural Education – Do we need a new teaching paradigm?" in the "BIM in Architectural Education" Symposium, Dublin School of Architecture, DIT, Dublin, Ireland, May 2016
- "The current and future BIM education" in BRE BIM Prospects Conference. Watford, UK, April 2016

- "BIM, new Design Methods and Techniques in the Design Management" in Rateko Construction Production Management Education. Helsinki, Finland, March 2016
- "The True Meaning of Open BIM?" in BIMRECC webinar, October 2015. Presentation available at <http://bimrec.com/previous-webinars/prof-arto-kiviniemi/>
- "Barriers and Benefits of BIM" in BIM Today Conference by GovToday, Mermaid Conference Centre, London, UK, June 2015
- "Collaborative Design and Engineering with IFC in the Netherlands" with Leon van Berlo (TNO, Netherlands). BIMMY Award for the best presentation in BIM Show Live 2015, Manchester, UK, April 2015
- "Early BIM Research, Development and Adoption in Finland", BIM World 2015, Paris, France, March 2015
- "Emerging BIM – An Update of UK's Current Situation", BIM Breakfast, Aalto University, Espoo, Finland, September 2014
- "Future BIM – Thoughts from the Research and Education", ACSA (ArchiCAD Spring Academy), Espoo, Finland, May 2014
- "BIM education – a bottleneck in BIM adoption?", Tekla European BIM Forum, Berlin, Germany, January 2014
- "Is Education Now the Bottleneck of BIM Adoption?", 3rd International "When Social Science Meets Lean and BIM" workshop, Helsinki, Finland, November 2013
- "Challenges and Opportunities of BIM in Lifecycle Assessment", 21. Internationales Industrieauseminar "Building Information Modelling for Life Cycle Structures", Vienna, Austria, June 2013
- "Where are we on the BIM journey?", SCALA Study Day, Stoke-on-Trent, UK, June 2013
- "Designing the Future: Sustainable Buildings & Infrastructure", Grand Challenges lecture series at Queensland University of Technology, Brisbane, Australia, May 2013
- "Challenges and opportunities - current trends in the global BIM practices", UKTFA Fabric First and BIM Conference, Bristol, UK, April 2013
- "Value of BIM in FM/OM – why have we failed in attracting owners and operators?" in Aalto University invitation BIM in FM/OM workshop, Helsinki, Finland, April 2013
- "BIM and Open Standards – an international overview" in Tocoman Easy BIM product launch, Helsinki, Finland, March 2013
- "The present and future of BIM" at Indiana State University, Terre Haute, USA, January 2013
- "People Issues and BIM – a view from the trenches", 1st International "When Social Science Meets Lean and BIM" workshop, University of Salford, UK, December 2012
- "Opportunities and Challenges in Adopting Integrated BIM" at Tallinn University of Technology, Estonia, November 2012
- "SOBE - School of Built Environment" at DTU (Technical University of Denmark), Copenhagen, Denmark, October 2012
- "Challenges in BIM repository development and implementation in industry? " in BIM Repository Workshop at KTH (Royal Institute of Technology), Stockholm, Sweden, June 2012
- "Challenges and Opportunities for Implementing Integrated BIM" and "Some Case Studies Illustrating the Application of Integrated BIM" in the International Construction Management Programme, University of Bath, UK, June 2012
- "Drivers and Obstacles for Adoption of Integrated BIM in Teaching & Learning" in iBEE 2012 - Innovation in Built Environment Education, Salford, UK, May 2012
- "BIM from Owner's Perspective" in CIBSE North West Technical Seminar on BIM, Manchester, UK, February 2012
- "Integrated BIM" PhD Workshop in Politecnico di Torino, Turin, Italy, January 2012

- "Global Drivers and Obstacles for Integrated BIM" in Hong Kong Polytechnic University, Hong Kong, January 2012
- "Changes and Challenges Emerging from the IGT Low Carbon and BIM Reports" panel in LEAF International 2011 (Leading European Architects Forum), London, UK, September 2011
- "International Drivers and Trends of Integrated BIM" in Universidade Federal do Rio Grande do Sul, Porto Alegre, Brazil October 2011
- CIB IDDS workshops Melbourne and Brisbane, Australia, May and April 2011
- "Challenges in Teaching Integrated Design & Building Information Modelling" (co-author Dr Patricia Tzortzopoulos Fazenda) and "BIM Implementation and Adoption Process for a Small Architectural Practice" (co-authors Dr Yusuf Arayici and Paul Coates) in FIATECH Technology Conference & Showcase, Phoenix, USA, April 2011
- SCRI Forum "How Design Change Through BIM?": Presentation "BIM Guidelines and Impacts of Integrated BIM in Design Process", Salford, UK, December 2010
- NCC Nordic CEOs Annual Meeting: Invited presentation "VDC/BIM Status Overview", Helsinki, Finland, November 2010
- Workshop and Seminar of the Estonian Group for Lean Construction "Building Information Modelling in Construction Education": Invited participation in workshop and concluding comments of the seminar, Tallinn, Estonia, November 2010
- SCRI Forum "Clients and BIM: How to realise the benefits?": Presentation "Clients' BIM Requirements", Salford, UK, October 2010
- Global Summit on Sustainable Built Environment "Better Building Better World": Invited presentation "BIM/VDC: Adoption, Policy, Standards", Shanghai, China, August 2010
- LEAF 2010 (10th Annual Leading European Architects Forum): Invited member in the panel discussion "Architecture for the Future", London, UK, September 2010
- Symposium "Agenda for 21st Century Architectural Education: Furthering the Debate": Invited presentation "Barriers to Collaboration in Practice – How Might Architectural Education Respond to a Collaboration Agenda?", Manchester, UK, June 2010
- Lecture Series "BIM Management and Processes" at Aarhus School of Architecture: Invited presentation "Challenges of Interoperable BIM in and between Organizations", Copenhagen, Denmark, January 2010
- CIFE Summer Program 2009: Invited presentation and moderator in the Session "Energy Modeling, Analysis and Performance in Design and Practice", Washington DC, USA, June 2009
- International Symposium "Distributed Intelligence in Design": Invited presentation "The Effects of Integrated BIM in the Process and Business Models", Salford University, UK, May 2009
- CIFE Summer Program 2008: Invited presentation "Practice and Vision for VDC/BIM to Support Integration and Automation", Helsinki, Finland, June 2008
- International buildingSMART Forum: Invited presentation "BIM and IFC in Finland - State-of-the-Art and Some Case Studies", Tokyo, Japan, April 2008
- International Workshop on Collaborative Human Futures - A New Design Paradigm: Invited paper: "Potential Obstacles to Use BIM in Architectural Design" with Martin Fischer. Workshop Proceedings pp. 53-65, Hong Kong Polytechnic University, Hong Kong, November 2007
- Health Capital Assets Managers Consortium Conference: Invited presentation "Life Cycle Management of Information from Brief to Commissioning and Management", Brisbane, Australia, November 2007
- International buildingSMART Forum, Queensland Government Session: Invited presentation "Integrated BIM in Finland Senate Properties' BIM requirements", Brisbane, Australia, November 2007

- International Workshop on Lean Construction and Automation in Infra Sector: Invited presentation "Model-based Information Systems", Berkeley University, USA, April 2007
- Virtual Futures for Design and Construction Workshop: Invited Presentation "Integrated Building Information Models as Virtual Prototypes", Salford University, UK, September 2006
- IAI UK Annual Conference 2006: Adopting Innovation: Invited presentation "BIM & IFC in Finland", London, UK, June 2006
- 15th Annual Workshop of The Workplace Network: Invited presentation "VBE/BIM Status Overview", Helsinki, Finland, May 2006
- CRC Construction Innovation Breakfast Seminar: Invited presentation "Innovation & Efficiencies in Construction Project Delivery and Property Management through Information and Communication Technologies and Building Information Models", Melbourne, Australia, March 2006
- CSIRO Requirements Management Workshop: Invited presentation "Requirements Management Interface to Building Product Models", Melbourne, Australia, March 2006
- University of New South Wales: Invited presentation "IFC for Open Collaboration - a Case Study of the ProIT Project", Sydney, Australia, March 2006
- University of New South Wales: Invited Faculty Lecture "What Is the Role of BIM in Education for Professionals in the Built Environment?", Sydney, Australia, March 2006
- University of Queensland: Invited presentation "Building Information Models", Brisbane, Australia, March 2006
- Executive CRC Construction Innovation Briefing: Three invited presentations "Adopting Innovation - Building Information Models in the Finnish Real Estate and Construction Cluster", CRC Construction Innovation and CSIRO, Brisbane; RAI Member Seminar, Sydney; John Holland Group Executive Briefing, Melbourne, Australia, March 2006
- Executive Seminar "New Paradigm in Property Development: Healthy, Comfortable and Ecological Buildings in a Modern City": Three invited presentations "Management of Customer Requirements in Product Model Environment", Abu Dhabi, Dubai and Bahrain, October 2005
- International Workshop on Lifetime Engineering of Civil Infrastructure: Invited paper "Integrated Product Models in Life-Cycle Evaluation and Management of the Built Environment", Yamaguchi University, Ube, Japan, October 2005
- GCADS 2004, Computer Aided Requirement Management Workshop: Invited paper "Room Related Requirements Model Concept in Building Product Model Environment" with Martin Fischer. Workshop proceedings, pp. 3-21. Carnegie Mellon University, Pittsburgh, USA, July 2004
- CIFE Summer Program 2004: Invited presentation in the panel session "Owners 2010 Vision & Strategic Plan", Stanford University, Palo Alto, USA, June 2004
- AIA Conference "Building Connections": Invited presentation "Global Perspectives on Interoperability and Data Exchange Standards", Washington DC, USA, April 2004
- Finnish Software Day in CIFE: Invited presentation "Overview of the Finnish AEC/FM Software Market", Stanford University, Palo Alto, USA, April 2004
- ProIT Seminar 2004: Invited presentation "Requirements Management Interface to Product Models", Helsinki, Finland, January 2004
- AIA Conference "Connecting the Dots": Invited presentation "Virtual Building Environments - Integrating Knowledge, Data, and Software for Multidisciplinary Design, Analysis, and Visualization" with Professor Martin Fischer and Dr. Vladimir Bazjanac, San Francisco, USA, October 2003
- AIA Conference "Connecting the Dots": Invited presentation "Federal Agency Initiatives and International Case Studies in 3D Object Modelling and XML Schema Development: 3D Object Modelling and XML Development" with Stephen Hagan, Calvin Kam and Bambi Tran, San Francisco, USA, October 2003

- IAI Industry Day 2003: Invited presentations "VERA - Information Networking in the Construction Process & Integrated Finnish Construction" and "BLIS – Design Coordination using IFC Project Models" with Yoshinobu Adachi, Dianne Davis, Robin Drogemuller, Jan Karlshoej and Kari Karstila, Washington DC, USA, May 2003
- A/E/C Systems 2002 "Ripple Effect": Invited Panel Session "Global Networking Address", Anaheim, USA, June 2002
- IT Construction Best Practice Conference: Invited presentation "Sharing of Information - an International View", London, UK, May 2002
- EFCA 2002 Conference "Information Society - New Challenge for Consulting Engineers": Invited presentation "ICT and R&D for Construction and Life Cycle Management", Helsinki, Finland, May 2002
- AIA Conference "Six Degrees of Collaboration": Invited presentation "Collaboration Technology in Design, Construction and Facility Management", Washington DC, USA, April 2002
- EU Workshop "New Ways of Working": Invited presentation "Clustering Multidisciplinary Research", Brussels, Belgium, January 2002
- RECI 2001, Real Estate, Construction and the Internet Conference: Invited presentation in the panel session "New Business Models for the Building Industry", CDI/Harvard University, Cambridge, USA, November 2001
- Interop AEC+FM 2001 Conference: Invited presentation "Overview of Finnish Approach to ICT R&D for AEC/FM Industry", Sydney, Australia, October 2001
- ICIS 2001 Conference: Invited presentation "Finnish ICT Strategies in Technology Development Programmes for the Construction and Real Estate Cluster", Helsinki, Finland, June 2001
- Nordic IT workshop "Udvikling af Byggeriet" [Development of Construction]: Invited presentation "Information Networking in the Construction Process", Copenhagen, Denmark, March 2001
- International Symposium "New Technologies in Architecture: Digital Design and Manufacturing Techniques": Invited presentation "Information Sharing on Internet in Collaborative Design and Construction Process", Harvard University, Cambridge, USA, October 2000
- IAI International Business Briefing "Building Design, Construction and Operation: Leveraging Technology For Business Advantage": Invited presentation "Industry and Government Partnership: Finland's Competitive Edge", London, UK, October 2000
- CIFE Summer Program 2000: Invited presentation "What you can expect of the IFCs", Stanford University, Palo Alto, USA, September 2000
- ILCDES 2000 Conference: Invited presentation "Software Interoperability and Information Networking in the Construction Industry", Helsinki, Finland, June 2000
- Construction IT members meeting: Invited presentations "Vera - Information Networking in the Construction Process" and "Rembrand - A Technology Programme for Real Estate Business and Services", Loughborough, UK, May 2000
- Japan CAD Data Exchange Consortium: Invited presentation "European and Finnish Construction R&D projects", Tokyo, Japan, September 1998
- Malaysian IAI Seminar: Invited presentation "IAI Nordic Chapter & Vera Programme", Johor Bahru, Malaysia, October 1997

4.9.5 *Papers in International Conferences (refereed if not mentioned otherwise)*

- Sujan, S.F., Mêda, P., Hjelseth, E., Jones, S.W., Kiviniemi, A. & Wheatcroft, J. (2019) A holistic model of challenges in project level collaboration and implementation of digitalisation. In Advances in ICT in Design, Construction and Management in Architecture, Engineering, Construction and Operations (AECO), proceedings of the 36th CIB W78 Conference 2019

- Sujan, S.F., Wheatcroft, J., Jones, S.W., Kiviniemi, A. & Mannis, A. (2019) A Multi-Level Model of Collaboration – Lessons Learnt from Social Scientific Interpretive Research in Advances in ICT in Design, Construction and Management in Architecture, Engineering, Construction and Operations (AECO), proceedings of the 36th CIB W78 Conference 2019
- Munir, M., Kiviniemi, A., Jones, S.W. & Finnegan, S. (2019) BIMasset Value Realisation Model: A Guide for Asset Managers n Advances in ICT in Design, Construction and Management in Architecture, Engineering, Construction and Operations (AECO), proceedings of the 36th CIB W78 Conference 2019

- Haastattelu "Asenteet jarruttavat tietotekniikan hyväksikäyttöä" [*Interview "Construction Industry is Building Networks on Money"*] Kauppalehti Extra toukokuu 2000
- Artikkeliki "Tietojen yhteiskäyttöisyys toteutumassa" [*Article "Data Interoperability Is Becoming to a Reality"*] Kauppalehti Extra toukokuu 2000
- Artikkeliki "Tietoverkottunut rakentaminen" [*Article "Information Networks in Construction"*] Rakennuslehti 17/1999
- Haastattelu "Vera luo työkaluja rakentamisen osapuolten tiedonsiirtoon" [*Interview "Vera Creates Tools for Information Exchange in the Construction Process"*] Rakennuslehti 5/1999
- Interview "Vera breaks down the walls for IAI", Views on Finnish Technology (Tekes) 1999
- Haastattelu "Rakennusala tarvitsee tiedonsiirron standardeja" [*Interview "Construction Industry Needs Standards"*] Locus (Rakli) 3/1998
- Artikkeliki "Vera - Tietoverkottunut rakennusprosessi teknologiaohjelma 1997-2002" [*Article "Vera - Information Networking in the Construction Industry"*] Projektitoiminta 1/1998
- Haastattelu "Tietoverkottuminen himottaa rakennusala" [*Interview "Construction Industry Interested in the Information Networks"*] Net (ICL) 1/1998
- Artikkeliki "Internet rakennuttamisen työvälineenä" [*"Internet as a Tool for Building Owners"*], LOCUS (Rakli) 1/1997, s. 48-50
- Artikkeliki "ISO kuvatasostandardi" [Article "ISO CAD layering" in the Finnish Journal of CAD/CAM and Computer Graphics] Valokynä 1/1997, ISSN 0780-0843, s. 4-6.
- Artikkeliki "IAI ja IFC - rakennusalan uusi standardi" [Article "IAI and IFC - the new standard of IT in building industry" in the Finnish Journal of CAD/CAM and Computer Graphics] Valokynä 1/1997, ISSN 0780-0843, s. 16-18
- Artikkeliki "IAI ja IFC - rakennusalan tietotekniikan uusi perusta" [*Article "IAI and IFC - the new foundation of IT in building industry"*]. Rakennuslehti 29/1996, ISSN 0033-9121
- Haastattelu "CAD unohdettu arkkitehtien koulutuksessa" [*Interview "CAD Has Been Ignored in the Architectural Education"*] Rakennuslehti 6/1996
- Haastattelu "Tuotemalli helpottaa suunnittelun integrointia" [*Interview "Product Model Makes Integrated Design Easier"*] Rakennuslehti 9/1995
- Artikkeliki "Arkkitehdin tuotemalli" [*Article "Architect's Product Model"*] Rakennuttaja 2/94, pp. 14-17
- Several articles about CAD and project integration in the Finnish magazines and newspapers 1987-1994

4.9.13 Lecture Handouts

- "Tilatietojen hallinta AutoCAD- ja Excel-ohjelmilla" ohjelmistojen käyttöohje ["Management of Room Program Using AutoCAD and Excel", software manual] 1998
- AutoCAD 3D luentomoniste, Tampereen teknillinen korkeakoulu, TKK ja AEL [AutoCAD 3D Modelling lecture handout, Tampere University of Technology (TUT), Helsinki University of Technology (HUT) and AEL] 1993
- AutoCAD luentomoniste, Tampereen teknillinen korkeakoulu, TKK ja AEL, useita versioita 1991-1995, liite vuodelta 1993 [AutoCAD lecture handout, TUT, HUT and AEL, several editions 1991-1995, appendix from TUT 1993]

4.9.14 Published Official and Company Standards

In all official standards published by the Building Information Ltd (Rakennustieto Oy), Arto Kiviniemi has produced the main content of the standard and participated in the approving workgroup.

- Kiviniemi, A., Rekola, M., Belloni, K., Kojima, J., Koppinen, T., Mäkeläinen, T., Kulusjärvi, H. & Hietanen, J. (2007): BIM Guidelines for Senate Properties, 9 volumes in Finnish and in English. BIM Guidelines for Senate Properties, 9 volumes in Finnish and in English. These documents formed the basis of the current COBIM 2012 Finnish National BIM Requirements:
 - Volume 1: General part (Finnish Osa 1: Yleinen osuus)
 - Volume 2: Modeling of the starting situation (Finnish Osa 2: Lähtötilanne)
 - Volume 3: Architectural Design (Finnish Osa 3: Arkkitehtisuunnittelu)
 - Volume 4: MEP design (Finnish Osa 4: TATE-suunnittelu)
 - Volume 5: Structural design (Finnish Osa 5: Rakennesuunnittelu)
 - Volume 6: Quality assurance and merging of models (Finnish Osa 6: Laadunvarmistus)
 - Volume 7: Quantity take-off (Finnish Osa 7: Määrälaskenta)
 - Volume 8: Using models for visualization (Finnish Osa 8: Havainnollistaminen)
 - Volume 9: Use of models in MEP analysis (Finnish Osa 9: TATE-analyysit)
- Huoneselosteen laatimisohe ja malli. [*Rooms, Room Specifications*] Building Information Ltd 1997. RT 15-10650
- Kalusteselosteen laatimisohe ja malli. [*Equipment, Equipment Specifications*] Building Information Ltd 1997. RT 15-10649
- Ikkunaselosteen laatimisohe ja malli. [*Windows, Window Specifications*] Building Information Ltd 1997. RT 15-10648
- Oviselosteen laatimisohe ja malli. [*Doors, Door Specifications*] Building Information Ltd 1997. RT 15-10647
- Ovi-, ikkuna-, kaluste- ja huoneselosteiden laatimisohe. [*Door, Window, Equipment and Room Specifications*] Building Information Ltd 1997. RT 15-10645
- Piirustuslehti. RT 15-10634 [*Building Drawings: Size of Sheets, Title Block and Revisions*] Building Information Ltd 1997. RT 15-10634
- Mitoituksen esittäminen. Rakennuspiirustukset. [*Building Drawings: Dimensioning, Methods and Reference Lines*] Building Information Ltd 1997. RT 15-10641
- Esitystapaohjeet. Rakennuspiirustukset. [*Building Drawings: Projection Methods, Scales, Lines, Texts and Abbreviations*] Building Information Ltd 1997. RT 15-10635
- CAD kuvatason rakennesuunnittelussa. [*CAD Layers in Structural Design*] Building Information Ltd 1997. RT 15-10624
- CAD-standardi, Oulun yliopistollinen keskussairaala [*CAD Standard, Oulu University Hospital*] 1996
- CAD-integraatio-ohje, VKL [*CAD Integration Manual, Senate Properties*] 1996
- CAD kuvatason arkkitehtisuunnittelussa [*CAD Layers in Architectural Design*] Building Information Ltd 1996. RT 15-10600
- CAD kuvatason [*CAD Layers*] Building Information Ltd 1996. RT 15-10599

4.9.15 Programme Brochures

- Productivity and Quality with Information Management, Vera Programme 2000
- Tuottavuutta ja laatua kokonaisvaltaisella tietojen hallinnalla, Vera ohjelma 2000
- Vera – Information Networking in the Construction Process, Vera Programme 1997
- Vera – Tietoverkottunut rakennusprosessi, Vera ohjelma 1997

4.9.16 Electronic Publishing

- "Vera – Tietoverkottunut rakennusprosessi 1997-2002" loppuraportti CD-levynä / "Vera – Information Networking in the Construction Process 1997-2002" Final Report on a CD, Tekes 2003. About 620 MB, the same report is also available at <http://cic.vtt.fi/vera/>
- Internet pages "PREMISS - Product Model Extension for Requirement Management Interfaces" at <http://cic.vtt.fi/projects/premiss/info.htm>, about 180 MB 2002-2005
- Internet-sivusto "Vera – Tietoverkottunut rakennusprosessi", about 250 MB, 1997-2002
- Internet pages "Vera – Information Networking in the Construction Process", about 200 MB 1997-2002
- Internet pages "IAI Nordic Chapter" at <http://cic.vtt.fi/niai/> About 620 MB 1996-2002

4.10 Lecturer in Universities and Other Organizations

- Course "Organizational Models and Simulation in Project-based Organizations", Helsinki University of Technology, Department of Industrial Engineering and Management 2005
- Basic and advanced CAD courses annually at Tampere University of Technology. The tasks included the planning, preparations and implementation of the CAD education in the Department of Architecture 1990-1996
- CAD courses in several organisations
 - Helsinki University of Technology, Faculty of Architecture 1993, University of Art and Design Helsinki 1993, Helsinki Institute of Technology, 1990-1991, Centre for Technical Training; AEL in Helsinki 1993-1995, Finnish Broadcasting Company; TV2 Tampere 1995, Edutech in Tampere University of Technology 1996, ICL (Fujitsu Corporation), City Of Helsinki, SAFA and NCC 1986 - 1996

4.11 Studio Kivi, Helsinki 1990-1996

4.11.1 Software Development 1990-1996

Registered AutoCAD developer. KIVI applications and libraries for architectural design, one of leading applications for architectural design in Finland in early 1990's.

Wide range of consultation and education activities.

4.11.2 CAD Integration Projects 1994-1996

- Varma-Sampo Office Building Fredrikinkatu 46, for Pekka Salminen Architects 1996
- Helsinki-Vantaa Airport, for Pekka Salminen Architects 1996
